Instructions for Completing NRC Form 426
"Authorization to Publish a Manuscript in the NUREG Series"

Block 2: Title and Subtitle

State the complete title and subtitles as you want them to appear on the cover and title page, following the U. S. Government Publishing Office Style Manual 2008 Capitalization Rules. Make them concise, and do not include such words as "report" or "publication" in the title.

Block 3: Distribution

NRC Automated Mailing Lists. Distribution codes for Block 3 can be found in NUREG/BR-0188 Rev. 3, "Distribution List Descriptions for NRC Reports and Documents," and can be found at the following link:
http://www.internal.nrc.gov/NRC/NUREGS/index.html

NOTE: Per Yellow Announcement 12-065, codes 9A through 9L have been discontinued for NUREG distribution.
http://www.internal.nrc.gov/announcements/yellow/2012/2012-065.html

Prepared Mailing Labels. (1) Type pre-addressed peel-off mailing labels for any addressees not included in a mailing list. (2) Type pre-addressed peel-off mailing labels for any NRC addressees, using only the name and NRC mail stop. Include a label for the Project Officer. (3) If any recipient is to receive more than one copy, specify the number of copies in parentheses after the name on the label [e.g., John Jones (10)].

Block 4: Certifications & Signatures

4.1 If "Yes", and the manuscript contains copyrighted material, attach a letter or an e-mail message of permission from each copyright owner to print the material in a Government publication, to post to NRC's Web site, or both, as appropriate.

4.2 If "Yes", have NRC's Patent Counsel sign Block 4.2 before publishing.

4.3 If "Yes", and the manuscript contains new, amended, or existing information collections (such as surveys, forms, reporting, or record keeping), have an NRC Information Services Branch Reviewer review the manuscript and sign Block 4.3.

4.4 If "Yes," submit a copy of the draft *Federal Register* notice of availability with the manuscript.

4.5 **(Required)** Project Officer signs, certifying that the manuscript contains no legally binding regulatory requirements and no sensitive unclassified or classified information.

4.6 **(Required, if applicable)** Approving Official for contractor, grantee, or other organization signs.

4.7 If manuscript is directed toward public outreach, Office of Public Affairs reviewer signs verifying their review.

4.8 Author's signature (required)

4.9 Signature of Branch Chief or higher (required)
