Dear Sir:

On behalf of the _____ (_____), I would like to request a copy of the NRC's **SAPHIRE** code and code documentation. I understand that the conditions for receiving this code are as follows:

1. **0** understands that the above stated code is the result of work sponsored by an agency of the United States Government and recognizes that neither the United States Government nor any agency thereof, nor any of their employees makes any warranty, expressed or implied, or assumes any legal liability or responsibility for any use, or the results of such use, or of any information, product, or process included in or calculated by this code, or represents that the use would not infringe privately-owned rights.

2. **0** shall not release this code to any third party without obtaining prior written permission from the NRC, and the third party must also obtain in advance written permission from the NRC. Third party includes any office or affiliate of the **0** that is located in a country different from the mailing address of the signing official for this Non-Disclosure Agreement.

3. **0** shall notify the NRC of any reactor safety problem which may be uncovered through the use of this code.

4. **0** shall communicate any code errors to code developers and the NRC.

5. **0** shall provide the NRC with any nonproprietary improvements or modifications made to this code.

6. **0** shall provide the NRC with a nonproprietary summary of any proprietary modifications made to this code, including a summary of the impact on representative code calculations.

7. **0** shall identify a modified version of the NRC code with a somewhat different name (e.g., **SAPHIRE** - **0** is a **0**-modified version of the NRC's **SAPHIRE** code), in any report or presentation that mentions calculations made with the modified version of the NRC code.

8. **0** is solely responsible for obtaining any assistance needed to implement or use this code.

9. Is 0____ a foreign entity (defined as an entity where 75 percent or more of the voting interest is owned by non-U.S. citizens)? If not, skip the following No. 10 and go to No. 11.

   Yes ____; No____

10. If 0____ is a foreign entity, it shall not use this code for commercial purposes to develop a new reactor design. It shall not use this code to perform analyses for nuclear power plants and commercial applications in the U.S. unless performed by its U.S. subsidiary.

11. Employees shall not remove a copy of the software from the workplace, and the software is not for the personal use of the employee.

12. In no event shall the NRC and its contractors and 0____ and its contractors be liable for consequential, indirect, incidental, or special damages.

My signature below indicates 0____'s acceptance of these conditions.
