## Minority Serving Institutions Program

The Minority Serving Institutions Program (MSIP) was implemented to carry out requirements of the Energy Policy Act of 2005, which amended the Atomic Energy Act of 1954, and Presidential executive orders. The objectives of the MSIP are to (1) achieve academic excellence, (2) build capability, capacity, and infrastructure, (3) develop human capital, (4) gain knowledge and skills needed to compete for grants, cooperative agreements, contracts, and resources, (5) participate in Federal and public programs, and (6) produce a diverse, skilled workforce.

### Five Subprograms Under the MSIP

1 Historically Black Colleges and Universities
2 Hispanic Serving Institutions
3 Tribal Colleges and Universities
4 Asian American Pacific Islander Institutions
5 MSI Grants Program*

***The MSI Grants Program funds projects in exchange for knowledge transfer in science. Technology, engineering, and mathematics (STEM) fields, and those important to the NRC, nuclear industry, and Nation.***

***How may we have your assistance in engaging our untapped resources?***
***If you wish to contact as please email: rhea.flanders@nrc.gov***

Caution: The NRC does not use modification code stickers. You must not scan or use a QR code if it appears to be manipulated or modified in any way or appears not to be part of the original printing of the material.
