Web-based ADAMS (WBA)

- WBA – debut in October 2010
- Two libraries in WBA:
 - Public Library
 - Public Legacy Library

Public Library (PARS)

- WBA's Public Library (or "Publicly Available Records System" (PARS)) refers to the library within ADAMS that provides full-text documents in PDF format

Public Library (PARS)

- WBA's Public Library refers to the library within ADAMS that provides access to documents that are **mostly** dated November 1999 to present

Public Legacy Library

- WBA's Public Legacy Library refers to the library within ADAMS that provides *bibliographic records* for NRC documents
- Electronic full-text is not available*

Public Legacy Library

- The documents in WBA's Public Legacy Library predate November 1999 and are likely available on microfiche in the Public Document Room (PDR)
